

**BIOALL NEWS IN 1CLICK****BIO-ALL ONGOING WORK**

The BIO-ALL project brings forward a co-creation methodology that will accelerate knowledge and competences to boost efficient innovation and entrepreneurial processes in the BIOHEALTH sector. Already through its first year, the work that has been laid has extensively reached the target groups to gather important insights and fine-tune the next steps of the current phase...

[READ MORE](#)**The BIO-ALL events are on a blast!**

Under the motto of entrepreneurship participants discussed relevant aspects associated to the conditions and needs for "Doing business in the BIOHEALTH sector". It was an opportunity also to highlight what are the success factors involved in and how can those factors be of inspiration for future entrepreneurs and researchers in the area.
