

# BIO-ALL Hackathon | The Bio-Health & Pandemic Solution Challenge

27-28th May 2021

## Info

All time infos are given in [CEST/GMT+2](#) timezone

*This document is alive and will be kept up to date during the whole hackathon.  
So keep the [link](#) close to you if you are a participant :)*

## AGENDA

Online from **27<sup>th</sup> May 2021, 10:00** to **28<sup>th</sup> May, 18:00**.

- **Event opening:** May 27, 10:00

The event includes **live sessions** such as challenges' presentation, instruction & tools delivery (like Business Model Canvas, Value Proposition etc.), checkpoints with experienced international mentors. In addition, teams will work together according to their own timetables.

**Participants' mission** is to deliver a **solution** to one of the [given challenges](#). Solutions must address at least two UN **Sustainable Development Goals**.

- **Final Projects Submission deadline:** May 28, 16:30.
- **Judging Period:** May 28, 16:30-17:30.
- **Winners Announcing & Event Closing:** May 28th, approx. 17:30.

## VENUE & TOOLS

The event will take place on [Zoom](#) platform. Participation link will be made available to registered teams.

[DevPost](#) platform will be used to register to the hackathon, create a solution project draft, form teams and submit final projects.

The use of **other web tools** may be suggested by organizers to enrich participants' experience.

**[REGISTER NOW](#) to the [BIO-ALL HACKATHON!](#)**

**\*\*\*Registration closes 25th May 24:00 CEST\*\*\***
